

Spare Change Partnership Online Brochure

“Give and it will be given to you. A good measure, pressed down, shaken together and running over, will be poured into your lap. For with the measure you use, it will be measured to you.” Luke 6:38

FOCUS

Our focus is to partner with individuals and appropriate organizations to reach our goal. We have found that ‘*spare change*’ is easier to come by than being stressed or taxed with having to make a pledge or long-term commitment over a lengthy period of time.

“As a ‘*spare change*’ collector I simply put aside change at the end of each day that was not used for other essentials in my household. One day God began to reveal to me that I was a better steward by not seeking to spend everything I earned on non-essentials. I was amazed at how much money I was keeping. By the end of the week I had accumulated \$10 - \$15. I put it in a separate place and allocated it in an envelope for ministry.”

I committed to God years ago that I would build a ministry for Him that would allow others to discover and use their gifts to glorify Him. I would use my spare change to start and would depend on Him to lead others to do the same to build the vision.

I pray for your partnership. It’s as easy as 1-2-3!

Spent – Never neglect your family or yourself. Use your resources at home before you send them to someone else.

Save – Collect what you have left after you have honored your own household. Once you have met your family obligations you will be in a position to pass on a blessing!

Send – Send what you have collected. In exercising the stewardship principles of **God – Family – Others**, you are opening the windows of heaven to have blessings routed back to you while in the process of blessing others.
